UYSA U5/6 player development rules:

Game Rules		Space and Time
No goalie - no use of hands by any player Perform kick-ins instead of throw-ins	A player may "play back" but may not camp in front of the goal.	Ball size: #3 Field size: 15 x 30 yards. Fields should be painted, but coaches may need to help mark the field with their cones
No penalty kicks Goal kicks are taken 5 yards from the goal To the extent possible, each player plays at least half of each game	After a hand ball or pushing or tripping foul, a free kick is awarded to the team suffering from the infraction at the point of the foul. The kick must be indirect, which means that the kicker may not kick directly into the goal and score.	Game length: four 8-minute quarters - but please trim quarter length accordingly if you start late so you can end on time
Offsides is not called 4 players from each team on the field		Breaks: 2-minute quarter breaks, 5-minute halftime break

Coaches and Parents – please emphasize fun, participation, skill development and friendships rather than concentrating on winning. Coaches are on the field during the game to keep the game moving by indicating out-of-bounds calls, etc. Don't do much coaching during the game – let the players play.

Coaches: You referee the games. Please hold at least 1 practice during the week. In case of dangerous weather, you may wish to reschedule your game for the place and time of the practice of one of the teams; contact the other coach directly to work this out.

Please Be On Time- All games start on the hour and end 5 minutes before the hour!
