UYSA U5/6 player development rules:

Game Rules		Space and Time
No goalie - no use of hands by any player Perform kick-ins instead of throw-ins	A player may "play back" but may not camp in front of the goal.	Ball size: #3 Field size: 15 x 30 yards. Fields should be painted, but coaches may need to help mark the field with their cones Game length: four 8-minute quarters - but please trim quarter length accordingly if you start late so you can end on time
No penalty kicks Goal kicks are taken 5 yards from the goal To the extent possible, each player plays at least half of each game	After a hand ball or pushing or tripping foul, a <u>free kick</u> is awarded to the team suffering from the infraction at the point of the foul. The kick must be <u>indirect</u> , which means that the kicker may not kick directly into the goal and score.	
Offsides is not called 4 players from each team on the field		Breaks: 2-minute quarter breaks, 5-minute halftime break

Coaches and Parents – please emphasize fun, participation, skill development and friendships rather than concentrating on winning. Coaches are on the field during the game to keep the game moving by indicating out-of-bounds calls, etc. Don't do much coaching during the game – let the players play.

Coaches: You referee the games. Please hold at least 1 practice during the week. In case of dangerous weather, you may wish to reschedule your game for the place and time of the practice of one of the teams; contact the other coach directly to work this out.

Please Be On Time- All games start on the hour and end 5 minutes before the hour.
