General Information

- 1.** All players **MUST** register online. UYSA, District 5 and NUCS fees must be paid online at the time of registration by credit card. If a player registers online but payment is not made, their registration is not completed and they cannot be rostered to a team. The registration fee for the year of 2010/2011 is \$120.
- 2.** All head coaches on AA (district) level teams are required to have an E license within their first year of coaching.
If the head coach does not have a E license, a wavier is required to be turned in at the time of registration. A wavier can be found on www.utahyouthsoccer.net under "Resources" "Download center" The next E license clinic in Utah County will be held June 14, 15, 18, 19, for more information check the website under "Coaches" "Coaching Education".
- 3.** Pictures must be uploaded every two years. After two years ADG will automatically delete the pictures and new ones must be uploaded. Pictures should be a head shot only – no hats or no goofy faces.
Coach's pictures will not be deleted every two years.
- 4.** Transfers:

 - A) Player transfers are only allowed during the transfer window which is November 15 to March 15.**
 - B) A player cannot transfer if it causes the number of players on his team to drop below the minimum number of players required plus 2.
 - C) A coach cannot release a player from his team without a parent's signature.
 - D) The transfer form is found at www.utahyouthsoccer.net under "Resources" "download center" This form needs to be signed by the current and new coaches. The **player card** is required to be turned in with the form.
 - E) There is a \$10 transfer fee.
 - F) The form, player card and fee are turned in to the League Registrar.
- 5.** Birth Certificates – If a birth certificate is in a foreign language, a translation must be provided along with the birth certificate. It must be done by someone not affiliated with the club or team. There is a translation form provided for your use at www.utahyouthsoccer.net.
- 6.** Play-Up Rules: U9/U10 may play up a maximum of one year.
U11 to U14 players may play up a maximum of two years.
U15 and older players will be unrestricted for play up. The actual age of the player determines the play-up, not the age division the player is registered in.
- 7.** Multi-Roster: A player may only multi-roster in the same level of play (state level or district level) and in a different age group or gender. This means that players **MAY NOT** roster on both a AA, a AAA team or Challenger team. There is a \$10 Multi-Roster fee. The form can be found on www.utahyouthsoccer.net under "Resources" "download center". Once the proper sections of the form are filled out (first and fourth sections), the form and multi-roster fee (\$10) are turned into the League Registrar. A player pass is required for the second team. Multi-rostering can be done after the game schedule has been announced. The player must understand that if there are conflicts in the game schedule, he or she must go to the primary team's game.
