

Registration Notes for 2010 – 2011 Challenger Soccer

1. You are registering a player for **both** Fall 2010 and Spring 2011 seasons. They play approximately seven weeks in the Fall, and seven more in the Spring, with the **same team**.
2. Please be careful with the player's birthdate, **especially the year**. You'd be surprised how easy this is to get wrong, even for your **own kid**.
3. Determine your player's **age group** using the chart.
 - a. If the player was born in August, you may want to consider having them play up a year to stay with the kids in their grade.
 - b. Or you may have other reasons for wanting the player to play up a year.
 - c. Either way, initial the proper spot in the top right corner of the form to let us know you really mean it and didn't just typo the birth year.
4. **This one is really important:** if you fill in the name of a player or coach you want the player to play **with/for**, please make sure this person
 - a. is **really registering** for soccer this year
 - i. If so, consider submitting your form together with theirs, paper-clipped together, to help us get it right. Otherwise we hunt for them in vain.
 - b. is in the **same age group**
 - i. If not, one or the other will have to play up for them to play together. NUCS does not allow players to play down.
 - c. lives in the **same city**
 - i. If not, decide which one is going to play out of their city; that person should put a Post-It on their form to let us know what's going on
5. **We don't ask you for a uniform size**; we order a range of sizes that fit a "typical team" and this almost always works out.
6. If you are mailing in your registration, please **submit two copies**. We need one for the registrar and one for the Coach. Fill one out and photocopy it – that usually works. If you come to walk-in registration, we'll have them in duplicate, which is easier.
7. Be aware that **we absolutely depend on parents to volunteer to coach**. If we don't get enough coaches, we are forced to refund registration money and not have some kids play this year. The good news is that we have training videos and books and sessions to help you coach your kid's team.
8. The address to which to mail the form is at the bottom, along with the postmark deadlines.
9. If you have any questions, first consult our Challenger Soccer FAQ on our web site **www.nucsonline.com**. If this doesn't answer your question, send us an e-mail:
 - a. For U5 thru U7, to **challenger1@northutahcountysoccer.com**
 - b. For U8 and above, to **challenger2@northutahcountysoccer.com**

Thanks!
