

North Utah County Soccer Parent/players AA Tryout Steps Spring 2017

Note: You should not tryout today if you are:

Already on an AA team or have committed to be on a particular coaches team. Please remove yourself from the registration page and go home and relax.

Steps for you to complete for tryouts:

1. Check-in at the player/parents registration booth. We need to confirm we have your contact info. Without it there is no way to contact you. You should have pre-registered. If so, confirm the info and get a numbered jersey and record it on the registration form.
2. Get a colored arm band. Each color represents a city. With the armband coach's will know what city your child is from.
3. If you DID NOT Pre-Register. YOU MUST go home after tryouts and use the pre-register for tryouts link on the nucsonline.com website by 10:00pm tonight.
4. MAKE SURE WE GET YOUR JERSEY NUMBER AND COLOR
5. Attend the player/parent meeting before tryouts begin to get instructions on the process of this year's tryout.
6. There is a good chance we will have more kids than coaches. Parents, please consider coaching if this is the case. The league is committed to helping new coaches be successful. Please let us know if this is a possibility.
7. We WILL have new teams with new coaches formed tonight. There will be some additional training costs of about \$40.00 per player for these new teams to get them started with several training sessions run by professional trainers.
8. When the meeting is over, the players will go down to the stations or play small sided games. Depending on the number of players and what the attending coach's would like to see.
9. When all players are done with stations and have had a chance to play, tryouts for that age will be over. Please turn your jersey in at the registration desk.
10. Coaches will then gather and select the players in a draft format.
11. Players will be notified by Sunday of this week if they made a team. If you do not hear from a coach by Sunday, you can assume that you were not picked up by a coach, and you should register for the Challenger league. Use the promo code "AATryout2017" to get a \$10.00 challenger discount. To get the early bird price.
- 12. However, If you come to tryouts, we will continue to try and find a AA team during the course of the summer for your child. Your challenger fees will be credited towards AA registration if this happens.**

About League/District Competition (AA) Soccer

Ages 8-13 (U-9 thru U-14) Coaches are requested to hold an E-License or obtain it during their first year of coaching.

There are approximately 10 regular season games in the fall. 7 in the spring followed by a 3-5 game tournament. Fall season starts about a week after school starts. Spring about the third week of April. There will be two games per week (one weekday (usually tues, wed. or thurs) and one Saturday game). Most coach's have at least one practice per week beginning sometime in the summer. Team uniforms are required and selected by the coach. Game locations will range from Payson(very few of these) to Lehi. The league fee for AA is \$140.00. This covers registration, insurance, referees etc. Your coach is allowed to have an additional charge of up to \$125.00 to cover uniforms, training supplies, additional training etc. The maximum mandatory cost per player should be \$275.00. (There are a few exceptions to this) If you are charged more than this and have concerns email president@northutahcountysoccer.com. This summer the league is sponsoring soccer camps with professional coach's. You may sign up with your team, or as an individual, or both. Additional information is on the website. www.nucsonline.com. Also, professional coach's are available to assist your coach for a very affordable price.
